### THE TARIFF BILL PASSES THE HOUSE.

A Long, Spicy Debate Over It—Col. Canaday's Resignation Before the Senate.

[By United Press.]

WASHINGTON, May 21.—After the presentation of a memorial from the Manufacturers' club of Philadelphia, asking for the passage of the McKinley bill, and that it go into effect thirty days after approval, the House went into committee of the whole on the tariff bill, Mr. Grosvenor, of Ohio, in the chair.

Mr. Baker, of New York, offered an amendment providing that all articles on importation into the United States, whether embraced in the free list, or otherwise, shall be subject to and pay no less rate of duty than is, or may be imposed by the country of export on like articles imported from the United States.

Mr. Anderson, of Kansas, approved the amendment saying it would place it in the power of the Canadian government to regulate the United States tariff.

Mr. Butterworth, of Ohio, also approved it, saying it would wreck the interchange of commodities between the United States and every other country, and would work a great hardship upon the people.

Mr. McKinley, at 12 m., demanded the previous question and moved the third reading and engrossment of the bill. Division was demanded by Mr. Bland, of Missouri, and the Speaker, after counting decided that 138 had voted in the affirmative, and 129 in the negative. Then the yeas and nays were demanded by Mr. McKinley.

The Speaker announced that the yeas were 161, the nays 143.

Mr. Coleman, of Louisiana, and Mr. Featherstone, of Arkansas, republicans, voted with democrats against the adoption of the motion.

Mr. Butterworth, of Ohio, and Mr. Adams, of Illinois, refrained from voting. When the result of the ballots had been announced, Mr. McKinley arose and asked the gentlemen of the minority to name the amendments offered by the yeas and means committee as they were read, on which ballots were desired.

Mr. Cadle said that the minority desired votes only on those amendments which made increases of duty. The clerk then began to read amendments. When he reached that increasing the duty on tin plate, the democrats called for a vote. Before the result was declared by the speaker, Mr. Kerr, of Iowa, and Mr. Thomas, of Wisconsin, who had voted with the democrats against the increase, changed their votes.

Mr. Lind, of Minnesota, another republican, announced that he had voted against the amendment under a misapprehension, and therefore changed his vote. The speaker then announced that the yeas were 150, the nays 149.

Applause from the democrats greeted the amendment of the vote which came so near being a democratic victory. Messrs. Butterworth, Flick, Henderson, of Iowa, Kelley, Mass., McComas, Mudd and Taylor, of Illinois, voted with the democrats.

When the yeas and means committee amendment making yarn made of jute dutiable at 33 instead of 20 per cent. was read, Mr. Carlisle asked for a vote. It was explained that by a typographical error, jute yarn was made dutiable in the bill at 30 per cent., when the yeas and means committee had intended that it should be dutiable at 35 per cent. The democrats, however, decided to take advantage of the error and called for a vote. Mr. McKinley called for the yeas and nays and the clerk started on the monotony of a roll call.

On this amendment the yeas were 143; nays 144, the first democratic victory. Democratic applause greeted the announcement of the vote. The republicans who voted against the amendment were Anderson, of Kansas, Featherstone, Kelly, Lynd, Taylor, of Illinois; DeLaven, Flick, Henderson, of Iowa; Lacey, Snyder, Kerr and Dunnell.

After further debate the previous question was called. The bill was then passed; yeas 164; nays 142, amid applause on both sides of the House, the democratic applause being derisive in his character.

### KEMMLER.

A Curious Argument Against His Execution by Electricity.

[By United Press.]

WASHINGTON, D. C., May 21.—The application for a writ of error in the case of Kemmler, under sentence of death by electricity, was heard in the Supreme Court of the United States to-day. Roger M. Sherman, counsel for Kemmler, who made the application, appeared for the condemned murderer. He based his argument on the fourteenth amendment to the Federal constitution, which provides that "no State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States, nor shall any State deprive any person of life, liberty or property without due process of law." The demand was on the 8th amendment, which provides that "cruel and unusual punishments shall not be inflicted." The court reserved its decision in the Kemmler case and adjourned until Friday.

## ARRINGTON-LEACH.

### A Beautiful Marriage at Good Old Mt. Zion Church.

There was a beautiful and brilliant marriage in Mt. Zion church, in Johnston county last night at eight o'clock, when the nuptials of Mr. Arthur Arrington, of Franklin county, and Miss Lula Leach, daughter of the late Dr. Jno. S. Leach, of Johnston county, were celebrated.

Both the young people have and enjoy the cordial esteem of an unusually large number of acquaintances, and there was a tremendous gathering of friends at the good old country church to witness the marriage.

Many of the wedding party met here yesterday morning, and went from this city in carriages to the elegant home of the bride, about fifteen miles distant. After spending a short while there the bride party went to the church, about half a mile distant, and just when the hundreds of lights in the church seemed bright and happy, the ceremony was performed by Rev. W. C. Norman, of Winston, and Rev. Robt. Barwell, D. D., of Raleigh.

Loving friends had already been to the church, and it was a bower of beautiful festoons and flowers arranged in elegant and harmonious combinations.

The entrance of the bride party into the church was very pretty. The first to enter were the groom, with the best man, Mr. Wm. Lankford, of Norfolk. Then came alternately two bridesmaids and two groomsmen in the following order: Miss Dixie Leach, of Pittsboro, and Miss Sallie Clark, of Raleigh, their special insignia being violets; Mr. R. B. Roney and Dr. D. E. Everett, of Raleigh; Miss Anna Burwell, of Raleigh, and Miss Mary Yarbrough, of Louisville, in apple blossoms; Mr. Robt. Davis, of Louisville, and Mr. Milard Turner, of Johnston county; Miss Nellie Leach, of Leachburg, and Miss Kate Hale, of Raleigh wearing lilacs; Mr. Perry Neal, of Louisville, and Mr. Milard Neal, of Wake; Miss Rosalie Drake, of Warrenton, and Miss Bettie Young, of Johnston county, wearing buttercups; Mr. Edgar Leach, of Raleigh, and Dr. E. N. Becker, of Johnston. Following these came Miss Claudia Leach, first bridesmaid, carrying a bouquet of magnificent roses; and after her came the bride leaving on the arm of her brother, Mr. Robt. Leach.

A semicircle was formed at the altar by the attendants, and in the presence of these and the great audience of friends, the two young people plighted their troth.

After the ceremony the party retired from the church in the following order: Mr. W. E. Lankford and Miss Claudia Leach; Mr. G. E. Leach and Miss Rosalie Drake; Dr. D. E. Everett and Miss Dixie Clark; Mr. R. B. Roney and Miss Sallie Clark; Mr. R. H. Davis and Miss Anna Burwell; Mr. Perry Neal and Miss Bettie Leach; Mr. Milard Neal and Miss Kate Hale; Dr. E. N. Becker and Miss Bettie Young; Mr. Milard Turner and Miss Mary Yarbrough; Messrs. John Turner, of Wake county, and Zee. Lenny of Johnston county, were the ushers.

The bride wore a costume of the richest white faille silk, en train with a harmony and beauty of trimming beautiful beyond description. There were also orange blossoms tastefully bestowed.

The cost of the bridesmaids were richly beautiful, and as the soft warm colors contrasted themselves under the mellow lights, they formed a picture of surpassing beauty and loveliness.

Prof. A. Baumann of Raleigh, rendered the music for the marriage. He was inspired with the happiness of the occasion, and under that inspiration the richest tones floated from the organ. As the party was entering the church, the Tannhauser bridal march was rendered, and he produced the strains of the Mendelssohn wedding march as the party left the building.

Some time was spent in receiving the congratulations of friends, after which the party again took carriage and drove to this city arriving here last night at eleven o'clock.

A rich banquet was spread at the Yarbrough which lasted one hour and a half. After this, the bride couple took the one o'clock train for a northern tour. From this they will return to the home of the groom in Louisville where they will spend a short while, and then they will make Raleigh their home.

## AT CHARLOTTE.

### THE CONTESTS IN THE FIREMEN'S TOURNAMENT.

Raleigh Loses Time by Mismeasurement—And the Judges Decide There Was no Race—The Championships Contest Will be Held again to-day.

[Special to STATE CHRONICLE.]

CHARLOTTE, N. C., May, 21.—A most delightful game was given by the North State Club last evening.

The hose reel race took place on Tryon street this morning at 9 o'clock.

Four companies were entered: Monroe, Durham, Greensboro and the Raleigh Independents. Monroe won the prize of \$100, the time being 30½ seconds.

Darham won the prize of \$25, making a record of thirty-one seconds. Greensboro made the run in 33½ seconds. Charlotte and Raleigh were both ruled out.

The grab race followed. In accomplishing this feat the companies ran fifty yards, grabbed their reels and ran fifty yards from there to the hydrant. Monroe made this in 23 seconds; Raleigh 24½; Charlotte 22½; and Greensboro was ruled out. Charlotte won the \$25 and Monroe the \$10 prize.

The championship race occurred this afternoon at four o'clock.

Charlotte, Greensboro, and Raleigh were the competitors. The drum of Charlotte Reel was broken, and on account of mismeasurement Raleigh lost 8 or 9 seconds and made it in 57½ seconds.

Greensboro made it in 53 seconds. The judges feeling that this was a very delicate question, referred it to the association.

The association met in the Y. M. C. A. room at six o'clock. They referred the championship matter back to the judges for final settlement.

It was decided that the association would hold its next meeting in Durham.

Officers for the next year were elected as follows: President, Howard Heatt, of Durham; Secretary, G. Griffin, of Greensboro; Treasurer, T. W. Blake, of Raleigh. Mr. C. D. Benbow was elected a delegate to the meeting of the National Firemen's Association which meets in Detroit.

The second game of the series between Charlotte and Columbia resulted in favor of Columbia, by a score of 13 to 3.

The display of fireworks given by the North State Club this evening was simply magnificent.

LATER.—The judges have decided that there was no race this afternoon, and it will be run tomorrow just after the steamer contest.

She is now at rest, and over her mound we can only shed the burning tear of sorrow, and strew her grave with garlands of fragrant flowers, while our heart goes up to God in thankful prayer that we may meet beyond the river where the surges cease to roll.
